EXPERIENCE

DRDL - DRDO | MERN STACK INTERN

June 2024 – July 2024 | Hyderabad, Telangana

- Developed an Electronic Quality Management System (EQMS) for DRDL, digitizing QMS processes in compliance with AS9100D & ISO9001:2015 standards.
- Implemented secure authentication, role-based access control, and document management in a web-based application, streamlining compliance and audit processes.

PROPEL PITCHFEST ACIC-BMU | WEB DEVELOPER

December 2024 – February 2024 | Gurugram, Haryana

- Developed a responsive landing and registration page for ProPle PitchFest using HTML, CSS, and MongoDB, optimizing user experience and streamlining participant sign-ups.
- Integrated MongoDB for efficient registration data management, ensuring secure storage and seamless retrieval of participant information.

PROJECTS

OUTFIT APP | REACT NATIVE, FLASK, PYTHON

2024

- Designed Outfit, a digital stylist that curates the best outfit combinations using the user's own wardrobe.
- Built with React Native and Flask, integrating background removal, color extraction, similarity score and Firebase for seamless outfit recommendations.

OUTFIT LANDING PAGE | NEXT.JS, TYPESCRIPT

2024

- Designed and built a modern landing page for Outfit AI Stylist, enabling users to sign up for early access to an AI-powered fashion recommendation platform

SCAN AND BUY | WEB

2023

- A web app which helps customers to self-checkout through their phone without waiting in a long boring line for billing, which implements firebase.

CERTIFICATIONS

- Certified in MERN Stack Development from Hero Vired, covering Mern-stack web development.
- Certified in React from Coursera, specializing in dynamic and responsive web apps.
